“ I light this candle in the remembrance of you Mr Till .

You were always a kind gentle soul to me when I seen you in the shop, when I lived in Alabama and worked close with Kim at Hair Expressions . Not many more men like you are around anymore .

Thank you for always being so kind and loving to me when I was there .

You made me feel like I was back at home with your kindness and warm heart .

Now it's your time to shine , rest high with your wife and especially your Savior .

Until we meet again .

Love

I am so sorry I did not know about Don's passing earlier as I would have been there. I am so thankful that I was able to visit with him at James' funeral. Don was a kind person - I thought of him as a gentle giant. I have shared this information with those of us who worked with him at the Senate. You all are in my thoughts and prayers!
