“ Donna was our adopted “Mom”, Sister in Christ, Angel on Earth, and a TRUE Friend for over 30 years.

Donna was like a mom to SOOO MANY, too numerous to count. Every person that Donna (and Gordon) met, they made feel like a LOVED family member!

We first met at First Baptist Church in Perrine, FL in 1989. Due to having the same last name, we were immediately mistaken by church members as family: It didn't take long before we stopped correcting people. We spent Sundays after church going out to lunch together, and Wednesday nights together at Church Meal & Bible Study.

Hurricane Andrew hit our South FL neighborhoods on August 24, 1992.

Donna & Gordon insisted that I, Joan, hunker down with them, since Dan was out of state in military school. They very well may have saved my life that day; ETERNALLY GRATEFUL!

Then, the US Air Force moved us far & wide for many years, but we did not lose touch for long with one another.

Donna never let our birthdays or anniversary dates slip by without mailing us a personalized card that she created herself. We often received prayer cards and phone calls from Donna & Gordon reminding us that they were keeping us in thought & prayer.

Donna both loved and had a talent for making crafts, and she loved even more to share with others the beautiful & adorable things she created! She so loved to make people smile & laugh, sharing her jokes too!

Donna & Gordon were VERY DEVOTED mentors to MANY, consistently setting the example of what a healthy, Godly marriage should look like.

Donna & Gordon ENRICHED and BLESSED our lives in more ways than we could begin to count, and we truly plan to be a part, along with MANY others, who desire to carry on their legacy!

Now our “Heavenly Angels”, Donna & Gordon, no doubt continue watching over us 🙏💕🙏 Joan & Daniel Beasley

“ I have really missed Mr. Gordon since his passing and now Ms. Donna. When I first joined Coosada they sent me cards every week for three months. I immediately felt welcomed and wanted because of their card ministry. Their love and compassion was evident every week when I was warmly greeted by them. Although Ms. Donna's health precluded her activities, her sweet endearing spirit will truly be missed by us all. Kathy Parker
