“ *While there are so many reasons to love this friend, and so many memories, one special memory is when she encouraged our grandchildren to use her circular drive while learning to ride bicycles!! It allowed them to keep moving! We will sorely miss our friend and neighbor. So much love to all of you and prayers for your comfort. Jack and Carolyn*

“ *Miss Doris will be missed by many no doubt. Her smile would like up a room. Her sweet soft spoken voice would just draw you in EVERYTIME. I loved her visits to Imperial. The way she made me feel like I was family will always be special to me. I remember her being so thankful for a Christmas card with pictures. It was simple things that meant the most to her. I am so thankful to have had the chance share in her life. I love the Clark family.*

“ So saddened to hear of this news. Doris was one of the sweetest people I ever worked with when we were at First Alabama Bank together. I remember her giving me flowers on my promotion to Purchasing Agent and I seldom received flowers in my life although I love them. She also wrote me a nice note on a card that I still have. This was back in 1987. She will be missed. My condolences to the family and ALL who loved her as I did.

“ One of the few true southern ladies that was as beautiful inside as she was outside! Rick and I have been blessed to call her our friend for over 30 years, and even more blessed when she and John built their home just across the street. Our hearts are breaking but we know she was ready for Heaven and to see John again. We will always remember them both. All our love and prayers for each of you.
