“ My aunt Izzy, a giant ball of stress in stressful situations like golf cart accidents and the best light at the end of the tunnel when you are going through a hard time. She truly was a joy to anyone she was around. She put up with Nicole and I growing up basically as sisters and listened to our nonsense. I’m pretty sure she purposely almost made me miss my flight home one time so I could stay longer, she “accidentally” almost drove us to Tennessee instead of the Birmingham airport 🤪 Izzy would do anything for me whether it was drive down 10 hours to come kick some butt or if it was just to listen on how my day went and tell me she missed me. She was the best and most fun person to be around. There wasn’t anything she wouldn’t do for her family and her added on family. I will miss you every day, I love you forever Izzy ❤️

“ *I'm so grateful and thankful I was able to spend the past few years with Jessie! She was always happy, spunky, funny and knew all the right things to say. She lit up every room she walked in. She was always down for a dinner date! I'm so thankful for all she did for me! I'll be continuously praying for the family, she was a great woman and will be missed beyond measure!*
