“ The Mosley family I remember when aunt Essie and our mom Lynne Mosley always like to hang together, and ride around, and love. To sit at the table and play cards. Me, my mom, aunt Essie, and Lilly bell. We all had fun together, and would visit each other. Aunt Essie and our mom could cook some good old Soul food. Collard greens, lima beans, and corn bread. They both could bake some good cakes and pies from scratch. They both could fry some good fish. They both laid that food out. I remember how aunt Essie loved to sale fish dinners. Those are the memories from auntie Essie and my mom that will stick with us forever and ever. They're gone, but never forgotten. They're all in our hearts there y'all almighty God's beautiful beautiful angels. and we love the almighty God always. Amen and we love and miss y'all so much.
