“ *Some of my best memories of growing up are of traveling from North Carolina to Alabama for a week every summer to visit my dad's brothers and sisters. They all had an easy way about them, and my brother, sister and I never wanted to leave when that week was over. My dad's (Gerald Birchfield) oldest sister was Ethel. He has talked to me from time to time about how she helped raise him when their mother passed away when he was 10 years old. I can't imagine how hard that must have been. I have vivid memories of time spent with her and Uncle Coolidge. She was such a woman of grace and beauty. She and Uncle Coolidge always made our time with them fun. He always had wriggleys spearmint gum in his pocket, and Aunt Ethel was always telling stories and everyone was laughing. They even had a coke machine!! Aunt Ethel you truly influenced me even though we didn't get to spend enough time together. I'm thinking of you tonight dear lady. Thank you for being good to my dad and to us. I know you are happy to be with your fella now. Godspeed.*
