“ *So this is sissy to me.. This was a strong lady you loved her daughter and husband more than herself! When she complained to me, rarely ever(usually only about how tiffany cant make her mind up about a dress) it was always so light... she had a way to make you feel like family and important to her!! Woman i saved out text! You will be missed forever sissy! You did so good with Tiffany she is such a beautiful little woman! Miss your encouraging text and our talks! Love u! Fly high my friend*
