“ *I have been Mrs. Fran's pastor's wife these last 13 years. I loved her and her unselfish spirit of giving to others. Many ladies at our church received shoes, outfits and jewelry and other gifts from her thru the years. She was a classy dressing lady and loved her high-heeled shoes! She had been thru so much these last three years of her life, yet fought to live and get better. She and Mike were so happy when they were able to bring their grandson Josh to live with them, back when he was in 7th grade. She loved him and was so proud of him! I am thankful that I had the privilege of knowing her! Every time I went to see her I always told her that I loved her and that if she needed anything I would do it. She always told me that she loved me too! I am thankful for heaven, because I know I will see her again... in a complete and new body with no pain for her! Prayers and love to Mike and Josh and the rest of the family.*
