

Mr. G. Preston Bryant

April 9, 2017

G. Preston Bryant, 84, of Coosada, died Sunday, April 9, 2017. He was born to James A. and Bernice Bryant on March 26, 1933 in Cullman, AL. After graduating from Westpoint High School, Preston attended Birmingham Southern College and received a BSN in Psychology. A growing appreciation for our Armed Services led to him enlist in the Navy, in which he served on the USS Tanner in the mid-1950's. Upon leaving the Navy, he completed an MSN in Psychology from Auburn University. Preston worked for many years as a licensed Psychologist in Huntsville and Decatur, AL. He later moved to Montgomery, AL to continue working as a Psychologist at Gunter Air Force Base, before transferring to Maxwell Air Force Base to round out his career as an Editor for Air University Press. Preston wore many other wonderful hats in his lifetime including award-winning short story writer, avid armed-forces supporter, animal lover, sports enthusiast, and Big Band aficionado; but above all else, he was a loving and much-loved husband and father. He is survived by his wife, Gloria G. Bryant of Adamsville, AL; his son, Keith Waters of Birmingham, AL; his four daughters, Sherry Alexander of Falkville, AL, Shannon Bryant of Bronxville, NY, Heather Franz of Columbia, MD and Brooke Bryant of Nashville, TN; three grand-daughters, one grandson, and two great-grandsons. He was thrilled to learn, just before his death, of one more grandson on the way.

In lieu of flowers, the family is requesting that online or by phone donations be made in his honor to the Humane Society of Elmore County or
