“ *Jeff had an incredible sense of humor! He especially liked jokes that were opposite the truth. When I was about to take my leave from a visit I would always tell him "I don't love you I will never love you!" and shut his door as he cut up. I will miss his character and genuine concern for mankind.*

“ *When I would visit Jeff , at the veterans home, and it was time for me to depart instead of saying goodbye I love you I would raise my voice and tell him " I don't love you! I never loved you!"*
