“ I first met Kenny on CompuServe DJ forum and we spent hours talking on the phone about the business, he had the same passion of making sure people enjoyed the celebration as I did. I only met him once in person, when he drove up to Louisville, KY to surprise me at a DJ expo. I'm praying for the Stiles family for their lost.

“ *What a fabulous Man Kenny was; full of life, love, adventure & always looking forward to the next fishing trip. He brought happiness to many & was ready to talk with & assist all who would allow him to. He will always be remembered fondly by everyone who met him. He has no pain now as he traded his earthly body for a Heavenly one. He will be missed tremendously!*

*So honored that he enhanced my life!*
