“ *What can I say... You were quite "the character"... You always had a way of making people laugh. I loved your smile the most. You were a simple, down to earth, nothing fancy kinda guy! You loved working on cars an getting your hands dirty. You were rough around the edges as we all are but you had a heart of gold! You are so loved and very missed but you'll never be forgotten!
Loved you like a brother...
Rest in the arms of Jesus now sweet friend...
Love, Angela Petrosie*
