“ *My mom Inez Cargill, worked with Mrs. Post at the nursing home for a number of years. There was a group of ladies that always called each other by their last name. They seem to always be there for each other as much as they could if one needed something. Post was always very friendly and kind. She would check on me after my mom pass away.*

“ *Jannette, Memaw, as she was called would ask me over to sit in her side yard under a big shade tree to shell peas all day and chat. Of course the dirt under the tree was swept smooth as if we were sitting on the porch.*
