“ I cannot begin to explain the ways that this precious woman blessed my life and the lives of my family. She was selfless, always put everyone's needs ahead of her own. She was a caregiver. She was the best Mom I could have ever had. She made me who I am today. I am so blessed to have spent so much time with her, for the time she spent with my children and her son in law. She has always been such a huge part of my life. The void she has left is incomprehensible to me.

I love you Mama.
