“ *Even though I only knew Mrs. Libby for about 6 years I'm honored to say she's the kind of person that I felt like I've known all my life...with her being a great cook I often called on her when I wanted to try a new recipe or try an old recipe from my mom or grand mom and I think Mrs. Libby enjoyed sharing it as much as I appreciated her.. the biggest compliment I can give Mrs. Libby is that you don't have to know her very well to know that she has a reservation in heaven...the mold was destroyed after you Mrs. Libby it's a privilege to say what a lady what a neighbor and what a friend I'm going to miss you Mrs. Libby...to Mr. Joe and all the family...Philemon:3*
