“ My favorite memory was when I asked you to dress up and deliver Kayla's santa gifts when she was a baby. You were so full of Joy you really were Santa. Then when she opened up to you and you were holding her you kept asking where is Jun Jun. I have so many great memories that I will cherish. I miss you so much now both my dad's are in heaven. I was blessed to have you in my life I love you.

“ Oh how you will be missed. I've always said you favor Elvis Presley to me. I'm so glad you'r not suffering any more. I can just imagine Marie said what took you so long.... Then again she probably just smiled like she always does and welcomed you home. I know you fought to stay but God was ready for you to come home. I love you so much.

Brenda
