

Infant Harrison Sean Jones

August 23, 2025

Our sweet baby boy, Harrison Sean Jones, was born sleeping on August 23, 2025, at Baptist East Hospital. He weighed 3lbs and 7oz and was 15 inches long. Though his time on earth was short, we find comfort knowing he was gently carried from our arms into the arms of Jesus. Harrison is deeply loved by his parents, Zachary Jones and Kimberley Baudanza, his brother, Levi Jones, and his sister, Ansleigh Jones. He is also cherished by his grandparents and extended family, who will hold his memory in their hearts forever. “Before I formed you in the womb I knew you, before you were born I set you apart.” – Jeremiah 1:5 Until we meet again in Heaven, Harrison’s spirit will live on through the love that he brought into our lives. “ Babyboy Harrison is my mini bestie 🤗 ☐ Our thing was to do this until he came into this world and through the years. To some this may seem silly, but to me it meant more than you know. Desi loves you sweet boy & I hope you know how loved and cherished you are!
