“ Hazel was one of the sweetest ladies I've ever met, she loved our girl's just like her own grand babies ❤️ they felt the same for her. She was one of a kind. My favorite story to tell people is when I walked into her home to visit her and Colon, she was about 87 at the time. And she was sitting indian style on the floor, talking on the phone, and smoking a cigarette. I laugh everytime I think about it. You will be missed Hazel, the girls and I were making out plans for our June Bama trip and we couldn't wait to see you ❤️
