“ It took me a while to be able to write this tribute to my Uncle Henry. I will truly miss him. As long as I can remember he has been a part of my life. because we lived in the same neighborhood, he either came to our house at times, or we went around to his. I always called him Henrell and I thought that his name was really special because I had an aunt, my father's sister, named Henrell and then I had an Uncle Henrell. To me that was very special.

I thank God that I had a chance to spend some time with him shortly before he passed. I always got him to give me a smile before I left. It will be hard to adjust to him no longer being there, but I know that in everything that He does, God knows what is best.

I extend my deepest condolences to my Aunt Annie Lee and my cousins. May God comfort and strengthen you and our family in this time of loss.
