“ *Hank was my cousin, but was 20 years older than me. I haven't seen him since my mother's funeral in 1980 and don't get to the South much. I remember him taking me to see Jaws at the movies when it came out. I just sent him an e-mail last week. Mary, I am going to call soon, but I would like to meet you in Nevada, when you bring Hank back. I owe it to Hank and to you to show you where he grew up and to let you know in person how much he meant to Cynthia, Karen and me.*

You are all in our prayers!
