“ *Brother Mac Gober gave me a diver's watch. One day in class at Canaan Land, he asked who had been praying for a watch. I was a student and a cook, and needed one. I hadn't told one single person about it. Only God. Mac came into the chapel one day and asked who had been praying for a watch! We immediately connected eyes and I knew this man was of God. I will miss you, Brother Mac. But I know where you are! Joe Ziglar.*
