“ *Andrew is the medical person I've seen for several years. He was always kind and compassionate, and gave exceptionally good care. His loss will be felt greatly by those of us who trusted him and knew we would receive expert instruction through him. May God comfort your hearts and give you peace as you try to make your way through this truly terrible period.*

Dr. Atkins was my primary care provider assuming the time when Dr. Steven Allen left Physical Express. The was very patient, thorough and precise and always went the extra mild with his care!! I can't believe he is gone!! Earth has no sorrow that Heaven cannot heal!! My prayers are with his family and his staff during this difficult time!! Rest well Dr. Atkins!!
