“Ginger and Jacob, With deepest sympathy we're praying for peace to bring comfort, courage as you and your family face the many days ahead and remembering all the loving memories that you will forever hold in your heart. Ginger and Jacob, words can't wipe away your tears, hugs won't ease the pain, but hold onto your wonderful, loving and fun memories, that's one thing that will forever remain. Please know we're saying many, many prayers for you and your family, and we will always be here if you need anything. Ginger, my brother, Wayne Tolbert, has had a long friendship with, "Bubba" and enjoyed working with him everyday at J & K Trucking, and he is carrying a huge hole in his heart, and is at a loss of words, he really enjoyed they're time together, Bubba, will always be remembered. We're holding you and Jacob, in our hearts and saying many, many prayers. Please let us know if you need anything, we're here for you !!! Again, sorry is just not enough !!! “ Uncle James & Aunt Leigh, Sharon & Bubba's family,

I am so sorry to hear of Bubba passing. I have lots of fond memories of the summers of vacation visiting the family had when coming to Georgia to stay with mama (Virginia Ann) and daddy (Grady).. We as small kids stayed up late swung on the front porch, played hide go seek and many other games.

Lots of fun was had.

I pray the spirit of depression off of you all and comfort and peace of the Holy Spirit reside upon you all.

Love,

“ *Some of my favorite memories of Bubba are of him flipping burgers for the baptism and burgers at our church. He put his whole heart in what ever he put his hands to and did it with a smile. He was my gentle giant. I will sorely miss him*

“ I would like to share memories about my dear friend Bubba. For those that attend Destiny, they know I've facilitated a small group called Kingdom Man. Each year that I presented this small group it would have between 8 – 12 men participate in the weekly sessions. Well for this particular small group semester, the only person that signed up for it was Bubba and his son Jacob. Because of the low number of people signed up, I contemplated cancelling the small group, but Bubba said “don't cancel it, let's do it”. Therefore, for the 8-week sessions Bubba, his son Jacob, and I met for this Kingdom Man teaching series. I always look back on that as to why he wanted to proceed. I believe that it offered an opportunity for me and him to become close while demonstrating to his son what it meant to be Kingdom Men. I hope and pray that my small effort planted a seed in his son Jacob. I really didn't know how important that small leap of faith would mean today. Another memory I would like to share is every time I saw him, he was smiling. He would always say to me, “I love you bro”. One time he told, “Can you say it Tony” and from that point forward when I saw him, I would always tell him, “I love you Bubba”. He became my Sunday afternoon bowling partner, and I was looking forward to getting back to bowling with him now that the COVID restrictions lifting. I'm really going to miss my friend.

“ James was one of the biggest hearted, kindest young men I have ever had the privilege to work with. I will miss talking with him about old sitcom tv shows and trucks. He was all about his family and spending time with them, they were his whole world. There are no words anyone can say to express how loved he was and is.

“ Our annual banquet, I wanted a picture with the beautiful couple who I have looked up to since I've met them. He said, “we've got to get down on your level to fit in the picture!” ❤️ 🤪 I love them so much, it definitely seems unreal! You will be missed Bro!!!!
