“ James and I (David) were 4 years old and our baby brother Billy who was 2 years old, in Columbus, Ohio went into the kitchen late one night. We pulled all the cereal boxes from the cabinet and got milk also. We went back upstairs and poured the cereal and milk into the bathtub and eat. Our mother (Pattie Jean Pemberton Evans) discovers the mess we made. This true story has told for years by our mother and known by our families the Evans, Pemberton, Mathews and Ryans in Ohio and West Virginia

On March 23, 2024, I treated James to the Monster Truck Nitro Tour at Garrett Coliseum in Montgomery. He was so glad to get out of his house and do something that weekend. We talked about our lives and shared old memories as boys growing up in Ohio. James like the animal the wolf and wanted to a start his own business as a private investigator and name his business Lone Wolf. There was a monster with a Wolf face in the hood. I took many pictures that afternoon of the monster for James and printed a picture for.
