February 5, 2021

Mr. James Randall "Randy" Keeffe age 58, a resident of Deatsville, AL passed away on February 5, 2021 at a local hospital. A memorial service will be held at a later date. Randy was preceded in death by his parents Ernest Leon and Kathleen Jane Brantley Keeffe. He is survived by his companion Tricia Gunnels, sisters Carol Keeffe, Kimberly Keeffe Lancaster (Danny), brothers David Keeffe and Michael Keeffe (Sheila), nieces Amy Willis (Brian), Meagan Cameron (Steve), great niece Ava Willis, great nephews Jackson Cameron and Dylan Willis, like a son Jeromy Driver (Maleia), like a daughter Nicole Jeffcoat and six like grandchildren that he loved dearly, last but definitely not least, his forever faithful sidekick, Brody. He was born in Montgomery, AL and traveled as a military family and lived in Tampa, FL, Rantoul, IL, Biloxi, MS and Panama City Beach, FL before settling in Montgomery, AL. He studied two years at AUM in Montgomery.... hence his love for Auburn. He was passionate for Nascar, the beach, Auburn football but his first love was always for Tricia. Randy found a wonderful church home and deeply enjoyed his love of Christ. He had a funny and infectious chuckle that kept you guessing and he never met a stranger. He was the baby of our family and his loved ones will miss him beyond belief.

“ *Randy was my youngest brother but a caretaker too. He dearly loved his family and I knew I could always count on him. He made the best quiches ever and I make the best lasagna ever, so we would trade dishes. Especially on our birthdays. My heart is broken little brother.*

“ *"My favorite story is when he was caught chewing tobacco in our backyard. I was going to run tell him that he had been caught, but my dad so "no....let him do it...he'll learn his lesson"...sure enough a few minutes later I look out the window and he is green in the face and throwing up like crazy! 🤢🤢". This memory is from Felicia Randy's 1st cousin. ENJOY 😊*

“ This story was sent from Felicia Atnip, Randy's first cousin.

My favorite story is when he was caught chewing tobacco in our backyard. I was going to run tell him that he had been caught, but my dad said, "no....let him do it...he'll learn his lesson." Sure enough, a few minutes later I looked out of the window and he was green in the face and throwing up like crazy!

I can see this Felicia 🤔 he didn't do anything small or slowly. He was all the way or no way 😎!!

“ Randy was my little brother and my shadow most of my life. He was as beautiful inside as he was outside. He tagged along behind me doing everything I did, but better! I remember as a boy he wanted to be a stuntman when he grew up, so he would ride his bike off the roof of our 2-story base housing onto empty boxes! He would shimmy down a bunch of willow branches until his feet hit the ground then push off and go flying 30 ft in the air holding onto the branches! Dad came home for lunch in time to see his youngest son go flying over the top of the house!! Needless to say "GROUNDED." It is that spirit and that beautiful smile I will miss until we see each other again!! Love and 💋💋💋 to you my brother and my best friend! 😭
