“*Jan, you were my best friend. I believe God sent you to me. You came into my life when I needed, YOU. My memories of you are all so precious. I never met anyone like you. I fell in love with you day 1. You showed me what friendship was. Our memories together are precious. The love you have in your heart for your family and friends shows who you are. I will miss you, go be the mermaid you always wanted to be. I'll be waiting for the day we can see each other again. Love you forever. I will never lose you, for your within my heart forever.*
