*Truly a blessing - Thank you Jesus, for allowing/enabling me to be there.*

“ Angels

*They Comfort your mind and heal your soul,  
help raise you up when you're feeling low.  
They're always there when you need a friend,  
they've got your back through thick and thin.  
They're always around when you're feeling blue,  
and that's what Angels are meant to do.  
They're sent from God to do good deeds,  
they tend the flowers and remove the weeds.  
They live in Heaven and share God's worth,  
but I knew one who lived on earth.*

*My dear sweet cousin Janice can only be described as the most Caring and thoughtful person I know. Her faith was always shining first and foremost.  
I have the most wonderful memories of her and the patience she showed to some worrisome teenagers.  
Janice, I will forever have you in my heart.  
I love you....*

*My beautiful (inside/out) precious, amazing sister-Janice Elizabeth (Dennis)Brooks.💕🌹*  
*She always put others before herself , care taker , her entire life - was more like Grandmother Dennis (an amazing Angel- on- Earth) than anyone I have ever known. Only 17 months difference in our age -have always been very close . I have never , ever heard her say one negative/ bad word against anyone -always looked for the good in one . Very committed/dedicated/ faithful , to # one - our Lord Jesus Christ ( read the Bible 5 times -starting on # 6 a wonderful , dedicated Christian ( an amazing servant for the Lord- Bethlehem Baptist Church)- family (immediate /extended) & friends ...*  
*She was definitely an Angel- on Earth - now an Angel- in - Heaven ... I am seriously thankful 2 my Lord Jesus Christ , for allowing me 2 be her big sister -truly one of life's greatest blessings.*  
*My heart is breaking💔 (a big part no longer there) , however ; gives me somewhat peace & comfort , knowing/believing ,she is in the arms of Jesus - Happy-made whole - completely healed , & walking the streets of gold , with all our loved ones . I love & miss my beloved li'l sister- will hold in my heart - all those awesome , priceless , precious , memories .until I see/meet her again ... R.I.P my LOVE XOXO 🥺*

“ *My beautiful (inside and out) sister was just an angel on earth. She was more like a mom to me than a sister, she always put others ahead of herself, and I just feel lost without her, but I know she's in a much, much better place where there's no pain and suffering and I will miss her so much for the rest of my life.*
