“ *I miss you girl! It's still is so surreal and I can't believe it! Thought about something the other day and started to call you.....then reality hits. You're not here anymore. Then I thought about your beautiful smile and that you're not suffering anymore. Can't wait to see you again so we can share some laughter and joy again! Love you always and forever!*

“ *I'll always remember when we were kids, and I would come visit during the summers. Those were some of the best times of my life. You've always been like a Sister to me, and I am going to miss you so very much. Give my Mom and Granny Moody a hug for me in Heaven. I love you so, so very much Amigo!!* 😭🤗❤️💕

“ *Wow...Janice and I had homeroom and classes together at SEHS. She was a awesome friend...anytime she was around anyone and i was in the background..she would always invite me into the group. She was so kind and loved being able to help others. I regret not keeping in touch with such a wonderful person.*

“ William, I a so sorry for your lost. She is so beautiful. Her transition for the flesh to the spirit is as wonderful as a caterpillar transitioning into a butterfly. She is with God the Father.
