“ *I had the pleasure of being her nurse at our memory care community. She was such a pleasant person to be able to know. I'm so fortunate that I was able to be a part of her life and her story, even if it was for just a short period of time. I'm honored to know she lived a great life. She had a family that loved her dearly and she loved them just as much. She loved God and it showed. I'm grateful for our time together and wish her peace. Until we meet again!*

“ *She never gave up on family or friends, she always saw the best and believed in us, even when we didn't. She had a scripture or word of encouragement to share when you were down, she constantly did small acts of kindness to lift others. She would do anything for you, her generosity was well known.*
