“*Jaquita (Katie) was a great mother-in-law who treated me great from the very start. She was one of those people that never met a stranger. She would smile at you like she knew you forever. She was a sweet and mentally strong woman who made it through a lot of tough times. Dont think many knew but she was very competitive too. Especially when it came to cards. She loved to beat me in cards and smile the whole time. Love and miss you katie. Glad you were saved so I can see you in heaven someday.*
