“ *Jennifer touched so many lives. She was good at her job. Always helpful, kind and friendly. I called her so much that she recognized my voice. I guess I just thought she would always be there. I will miss her terribly. Goodbye my friend. I'll be praying for peace and comfort for your family.*

“ I will always remember Jennifer as a devoted daughter, loving mom & grandmother & sweet friend. She was always quick to let you know exactly how she felt & she loved deeply. She was sassy & spunky & always ready to cut up & laugh. I could go long periods of time & not talk with her then she would call me out of the blue & we would talk for an hour or longer just like we had never skipped a beat. I will always remember the times we shared at Nannie's house, the late night phone conversations, because that's when she always seemed to call me. The hula hoop & pogo stick fun & the Christmas she bet me I couldn't get her picture so I got lots of her in pictures, many of which I have shared on this memory wall, I even named the album that Christmas after her entitled "Jennifer's Christmas Palooza 2012". The night that Jennifer, Susan, Alice & me set out to see a movie but ended up at a pub laughing the night away. The most impressive thing I will always remember about Jennifer is how she loved her family & welcomed me & loved me like family from the 1st day Chad introduced me. Jennifer was very special to us, and we will miss her greatly.
