“ *One of the best memories of me and my Daddy would have to be when we had a Fourth of July party at our house with everyone here. Me and Daddy thought it would be a great idea to shoot bottle rockets out of our hands, next thing you know you hear my Daddy say ohhh shoot! I'm on fire! I looked down he's got a hole in his shirt. That was a great memory of me and my Daddy. I just wanted to say, Daddy, it may seem like it's a goodbye but it really ain't. I know one day I'll be holding your hand again as your baby girl. I was one of my Daddy's prize possessions. I will never forget about you and there's a piece of my heart that has been locked and that part will never be unlocked. That's your spot and will always be I love you daddy❤️*

“ We all love you Daddy the best memory with you was when we were at the cabin, and you were talking about the gremlin coming out the chest and the Wampus cat walking thru the woods. This is Leo Wright

“ This is Jerry Jr, Daddy. I will always miss you and love you. I am sad you are gone. I still remember on our vacation on the lake, and you decided to push me in the water for no reason. I had my fishing today in the water my hat was sinking but the smile and laughter on your face set my day. Daddy, always know that I love you and miss you.
