“ *It is rare in life to meet a pure, selfless soul; someone who's kindness, beauty, and grace literally radiates from their face, and dances in their beautiful blue eyes. Wally's mom Frances was the only person I'd ever met in my entire life who I felt this way around until I met Jessica. They both had that something different about them, a goodness in their heart that shown, coincidentally, through their stunning blue eyes, and those beautiful smiles. Their lives were a testament to their goodness. What you saw with them was exactly what you got...Love, kindness, humility, devotion to God, family , and friends, concern and service to her fellow mankind, and if you were blessed enough to have known her, the sweetest, best friend you'd ever have. Jessica, I love you. I'll tell funny stories about you 3 girls, and show precious pictures of ya'll to my grandchildren to keep your memory alive, and I'll miss you till the day I die.*

“ I only knew Jessica through facebook but she has affected my life by how brave she was and never lost her faith. I am truly heartbroken by her passing even though we know she is in a better place. To her family I send my utmost sympathy. She was blessed to have Tabitha and her Mom with her through this time in her life. I pray that God comfort you and give you peace.
