“ *I personally worked for and with Jettie for over 14 years at Robertshaw Controls Company (Richmond, Va). She then worked directly for me for over 5 years at Hamilton Beach Brands, Inc. (Richmond, Va). While at Robertshaw, Jettie was the Supervisor of Accounting back in the early 80's when very, very few women held those senior positions. She was very detailed, articulate, extremely sharp, dedicated, and was respected by senior management. I learned a lot from working for and with Jettie early in my career and that's why I hired her to work for me later in her career. She and her husband, Joe, were very good friends and she will be dearly missed. Condolences to all her family. My Personal Regards J. Norman Hall*
