“ *So many memories with this man! He took me under his wing when I was 21 and gave me my first job bartending. He taught me everything he knew about the bar business. He called me "his puppy!" He wasn't just my co-worker...he was my big brother and a great friend! He has always been my #1 fan and always pushed me to go for bigger and better things! He believed in me when I didn't believe in myself! We could go long periods of time without seeing each other and we always picked right back up where we left off! I could go on and on! My heart hurts that you are gone but I have so many great memories that I will always cherish! I am a lucky girl to have known and been friends with you! Until we meet again my friend.... You will be missed..❤️
Love always- Your Puppy*

“ *Well friends, our friends time on earth has ended. His old body is done. He has cross into eternity. He had a great life. I pray that he has blessed your life as much as he has blessed mine. And as he signs off one final time I must say, we were blessed to know him. Jimmy Wayne Nokes 03-10-22*

2 Timothy 4:7-8 I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day--and not only to me, but also to all who have longed for his appearing.

“ Wayne was such a big part of my life and Candace's too. I just can't find the words to describe what he meant to us and our family. We loved him so very much and he will be remembered by all in the family as one of us. RIP Wayne . You will always be The man in the blue van from Tennessee to me. Before we called you "Rub" I was so blessed to have you in my life for so many years. Prayers for all your family and for all the people you knew and hearts you touched. ❤️🙏

The memories I have with you are in a very special place in my heart that will never die. SO MUCH LOVE 💖 Mama will be overjoyed to see you in heaven. She probably has some house plans for you to look at.
