“ We've lost a dear friend. We shared many memories while John was the NCO in Charge of the Directorate of Intelligence for Air University at Maxwell AFB. He was an outstanding professional that was a credit to his service and his country. I missed him when he retired from the Air Force; I know I'll miss him even more now that he's gone to God's good heaven. We'll meet again John, in that eternal home. Lou and Jim Mercer
