“ *It's been years...I am still not better; I HONESTLY never will be. Watching SORCERER'S APPRENTICE with Chase. He loves it and my heart breaks. Remember how we wished we could do such awesome magic?! So silly, so sweet of us. I love you, think of you, and regret your pain daily. You were my life and happiness John. Xoxo*

“ *He was my best friend for over 20 years, my chosen family. I love and miss him more than words can express... the world is a darker place since he and Daryl have left it. I pray their souls are finally reunited. John, I will never forget you. My heart and my love.*
