“ *Johnnie Sue was one of my favorite people in the whole world. She was a role model for me in my childhood and early adulthood. I remember her as steadfast in her beliefs and loved her family with a fierce passion, yet she was gentle and comforting and always there when you needed her. As children, we remember all the times she and Coleman came over to help us out. She made the best cakes. I could go on and on, but I really loved her and miss her as the last few years have been tough. She was truly an angel among us.*
