“ Hello, my name is Dale Richey a friend of Johnny Walker's. First, I want express my condolences to the Walker Family and to his wife Patti. I met Johnny back in 2018 at Comics Cards and we would socialize and trade sportscards. I miss Johnny and I was glad that I was able to spend some time with him. Like the time we had lunch at McDonalds this past summer. It was great just to talk and hang out that day. It got him out of the house for a moment. I really admired the way Johnny handled the adversity he was going thru. Just talking to Johnny, you would not know he was dealing with cancer. His since of humor was great and I tried to encourage him as much as possible when we would talk. The last day I saw Johnny was when I came over to his house to buy some cards. We talked and the TV was on with country music videos and we were both giving our opinions of how good the videos were. That to me was a great memory because I got to spend some time with a great friend. I enjoyed meeting the family that was visiting at the time (Please forgive me if I could not remember your name). Johnny Walker is a great man and I miss talking to him. It took me a while to figure out what words to say in tribute. I will always remember Johnny as a great man with tremendous courage and it has truly been my honor to call him a great friend. My best regards and wishes to the Walker Family.

Sincerely,

Dale Richey
