“Cousin I can remember so many things we did that was so stupid when we was younger as I'm sure so many other people can to. To me you will always the life of the party, always had a smile on your face, always had a joke because you didn't like to see anyone sad. Can't remember a time I ever seen you down. To me you definitely lived up to the name "Bobo" that was given to you by your Daddy Buzz. Cousin, you were definitely a clown!! Sorry I won't be attending your wake today, but I am going to go visit with your sister Wendy Hughes whose unable to attend. I hope now you get to meet your other sister Amanda Hughes and chilling with your father Lloyd Carlton "Randy" Hughes in that sweet by-and-by
