“ Joy is my second cousin. We were only 4 yrs apart. Her mom was my Aunt Dot(my Grandmother was Dot's sister. I can remember playing together when we were little but most of all was the kindness she showed me while I was in college. I was really struggling at Auburn University. My doctor was in Selma. We would share a meal while I was in Selma at my doctor's appointments. She was always so kind, uplifting and full of encouragement. I'm praying for her precious family. She is resting with Jesus now.
