Black...I'm going to miss you! Since the day you walked into our lives...you made your mark. Anytime I needed you...all I had to do was call and it was the same with you. You were my little brother from another mother. Fly high baby for you're at rest. Warren has joined you in that flight and I know y'all are together right now. Two peas in a pod lol. And we'll get Bootsie through this don't worry.
