“ *One thing you could always count on with Kat was good food, making sure you always ate something, and ALWAYS her saying “love you” before you left her house. She will be truly missed by many. I am so glad she was part of my life and my kids life. She always treated us like her own. She has always been there to lend a helping hand or just great advice. Myself and my children will miss her until we meet again in heaven. Until that day comes I am blessed to know that she will be watching over me through the rest of my days. We love and miss you maw-maw.*
