“ My grandma will def be missed! I hate that in my adult yrs I didn't come home as much as I should've. Looking back as a child.. my grandma was a strong woman lol very independent. I remember seeing her fixing on things around her home or outside in the yard. Her car lol the do it myself type of woman 🤔 my grandma was there! She helped as much as she could with a lot of us. She loved us and definitely showed that. One thing I will always remember is her saying “ GRANDMA LOVE YAH NOW .. YA HEAR” . Ive been hearing her voice for days . She was a beautiful person . Love you grandma
