“ *Dear Aunt Kat:*

To my loving, caring, and compassionate soul, it is hard to imagine that you are no longer with us. The world will miss you greatly, but I know today heaven is singing in glorious harmony. You are joining sister Virginia, brother Roney, and Grandma Ocie. I never had the pleasure of meeting Grandpa Mike, my namesake, but it must be a joyous day to be reunited once again. As I say goodbye to dear aunties and uncles, it reminds me that my own days here on earth are fleeting and that I should never miss an opportunity to tell those around me that I care and love them dearly. I hope Uncle Dodge, Keith, and Kevin know how much I love them and share their grief as they say goodbye to their wife and mother. I will always remember you for your steadfast support when Mom died, and how you were the one I depended on in my hour of crisis. I hope the family will be comforted by your peaceful spirit, a force that will live within us, waiting to soothe whatever concern or trouble we endure.

Goodbye Sweet Aunt Kathryne,

Michael Jones

“ Aunt Kathyne was my favorite aunt. We shared many similarities and we laughed about most of them. Our black thumb and our Lassiter thighs. Our love for reading which she said came from her mother/my grandmother known as Aunt Ocie. My heart breaks knowing we won't talk and laugh together now but we will again one day. She was a great mom and caregiver to her three sons and especially Ken when he was slipping away. Her faith was strong. I hope she gave my dad (her brother Roney) a big hug when she saw him. She was my aunt and my friend. My love for her will never change.

“ Ms. Kathyne was a precious child of the King and will always hold a special place in my heart. She and my Mama (Bobbie), Aunt Corinna, Aunt Oriska and so many other children of God have completed the journey they worked so diligently in this life to make. What a glorious time they are having in their heavenly home with our Lord! I know she will be missed by her loving family. You all are in my prayers.
