“ Kay, you were **ONE OF A KIND!!** Sooo many things I've learned from you that I'm so grateful for; one of them being that greenbean casserole recipe!!! You are going to be missed more than you will ever know. Not a day will go by that you won't cross my mind. I wish I could thank you for loving my daddy so much; Lord knows how much he loved you!!!! We are so lucky to have had you in our lives as long as we had, we just wish it could have been a lot longer. Until we meet again, Bird, I love you!!!!

“ We will miss you Kay. You were so fun to be around and we enjoyed getting to know you these past couple of years. Your quick wit will be missed most of all at our favorite hang out. You loved giving and it's evident in this pic from Christmas. It's a reminder to us to make a life out of living. Work to live, not live to work.
