“Dad, I Love You and miss you so much! You raised me to be the man I am today and I cannot thank you enough. This has been the hardest thing I have ever had to go through, but when I get sad I will think of all the great times we had together. I love you with all of my heart. -Aaron- (a.k.a Jake the Snake)

“ Keith and I were laughing recently, he couldn't believe I allowed him to use my car for his senior prom, he and I use to brainstorm the artwork of design for my salon. I still have some of his designs. We would have so much fun having the common interests together. I loved him so much. I can't believe you are gone.
