“ *Go rest high on that mountain top SON, your work on earth is done. We will see you again one day. I am so proud of you & your walk with God. I am in ahh of the gift our Lord & Savior gave me on your last 6 days on earth, you were just so happy. God knew what momma's heart needed to have that closure & time with you to be at peace with your final day on earth & giving both your parents a gift of holding you when the Angels came to take you home. I could not ask for anymore. I love & miss you so much my little boy blue. Love, Momma*

“ I am so very sorry for your loss! My heart aches for your family. I have fond memories of Blake as a child when he and my son were in elementary school together. My prayers are with your family during this very difficult time.
