“ Dr. Jones was our family chiropractor for many years before he retired. During that time he became a friend to my husband and I. He always asked about our camping trips, our church and our kids. He would often share stories about Holtville with me since we both graduated from there. We have never found another chiropractor that was as thorough as him. Glenda, I am truly sorry for your loss. What a true man of God he was!

“ Glenda and family, I am so sorry for your loss. Kenny and I were always friends in school. We were even boyfriend and girlfriend in our Sr. Play. He was always one of the nicest and sweetest people I had the honor to know. It is a hard loss for all of you and all of us who knew him. HE is with Jesus, and you are all in my prayers.
