“ *My thoughts and prayers are with the family. I worked with Kevin for over 20 years. He was one of the hardest working people I have ever worked with. Always eager to take on new tasks. Always willing to go help open a new store. Pensacola, Selma, Chickasaw. Whenever I told those store managers, I was sending Kevin to help, they always smiled and said Thank You. They knew they were getting expert help. Honest, and Dependable, traits sad to say lacking in a lot of people these days. I will let every customer know of his passing. Rest in peace Kevin. Your old work partner, Dean*
